

RIVER VALLEY CHARITIES

River Valley Charities was formally formed in 2015 by a group of local networking professionals who recognized **GROWING FOOD INSECURITY NEEDS.**

We are a 501(c)3 charitable organization and continue to grow our partnerships in the St. Croix Valley and surrounding communities. In 2022 alone, we have helped over 675 families and 1,000 children fight food insecurities, and have donated over \$150,000.00 to our partners and programs that we support.

Our mission is to generate hope for individuals and families by creating access to quality nutrition; providing relief, rehabilitation, and development opportunities; and strengthening community collaboration.
