

# RIVER VALLEY CHARITIES

River Valley Charities, a beacon of hope in the St. Croix Valley, was established in 2015 with a resolute mission to combat food insecurity and generate hope for individuals and families. Through unwavering dedication and a commitment to community empowerment, the organization has raised over \$600,000, every dollar of which has been directly allocated to community programs that provide nourishing meals and fight hunger. Thousands of families in the St. Croix Valley each year find hope and essential support thanks to RVC's commitment to raising funds for critical nutrition programs.

River Valley Charities' holistic approach to addressing food insecurity encompasses relief, rehabilitation, and development opportunities, ensuring that children and their families have access to quality nutrition and the tools they need to thrive.

---

**By fostering community collaboration, River Valley Charities has cultivated a network of support that empowers individuals and families to break the cycle of food insecurity and build a brighter future.**
